A3. TERMS AND CONDITIONS FOR BIDDING

1. Bid Submission:

1.1. **The Supplier Park Development Company (SOC) Ltd trading as AIDC considers this tender and all related information, either written or verbal, which is provided to the respondent, to be proprietary to AIDC. All information contained in any subsequent documentation shall be marked "COMPANY CONFIDENTIAL".**

1.2. Bids must be delivered by the stipulated time to the correct address. Late bids will not be accepted for consideration.

1.3. **All bids must be submitted on the official forms provided (not to be retyped) or in the manner prescribed in the bid document.**

1.4. All the documentation submitted in response to this invitation to bid must be in English.

1.5. The bidder should verify the numbers of the pages of this document to satisfy themselves that none are missing or duplicated. No liability will be accepted by AIDC regarding anything arising from the fact that pages are missing or duplicated.

1.6. **Bidders are required to reference/index their bid documents, insert proper file divisions and ensure that bid supporting documents are attached.**

1.7. **Tender** responses should be submitted as follows:

1 HARD COPY (1 x ORIGINAL + 1 x USB MEMORY STICK) in a sealed envelope/package endorsed **"AIDC-T02-2026/27",** with the service provider's details on the back of the envelope or on the front. The sealed envelope/package must be placed in the bid box at the Main Entrance Gate, Automotive Supplier Park, 30 Helium Road, Rosslyn X2, by the closing date and time. BEC will consider hard copies for evaluation, and bidders are to ensure that the USB is a copy of the hard copy

1.8. **The closing date, company name, and the return address must also be endorsed on the back of the properly sealed envelope (or side of a properly sealed package).** If a courier service is used to deliver the bid document, the bid description must be endorsed on the delivery note/courier packaging to ensure that the documents are delivered to AIDC's Bid Box. The courier must ensure that the bid documents are properly deposited into the bid box, and the AIDC accepts no responsibility in this regard.

1.9. All bid documents must be submitted in hard copy in the bid box. Where a bid document is not in the bid box at the time of the bid closing, such a bid document will be regarded as a late bid. **Late bids will not be considered**

A4. TERMS OF REFERENCE AND SCOPE OF WORK

1. INTRODUCTION

1.1. Mandate

The Automotive Industry Development Centre (AIDC) serves to develop the automotive manufacturing sector to globally competitive standards of excellence, through a world-class value proposition that enables effective and sustainable socio-economic growth. The organization was established as a government support centre, to increase the local automotive industry's global competitiveness and to promote Gauteng as the automotive industry investment destination of choice.

The organization is the dedicated developmental agency of the Gauteng Growth and Development Agency (GGDA) in relation to the specific industrial, infrastructure and training needs required by the automotive and allied sector - in particular those based in the Gauteng province.

The AIDC is thus tasked by GGDA with special developmental-oriented projects aimed at retaining and attracting investments in the automotive and allied-related sector with a focus on enterprise development; supporting BBBEE SMME development, skills development and limited logistical infrastructure in line with the Gauteng provincial government's objectives of transformation, modernization and re-industrialization (TMR). The AIDC also undertakes projects related to the transport and energy sectors, as well as the development of the Auto City in the Northern Corridor.

1.2. Vision

To be the automotive industry's thought leader and centre of excellence that promotes industry sustainability and global competitiveness.

1.3. Mission

Navigating the automotive industry's journey towards being an innovative and transformed sector, by providing. agile, reliable, and responsive industry solutions.

1.4. Values

The AIDC's staff aligns their behaviour to the company's shared values as listed below, which support, and is informed by, the organisation's vision and mission:

- Respect for others
- Teamwork
- Open and honest two-way communication
- Encouraging a learning culture
- On-time, on-brief, on-budget
- Client-centered
- Integrity and ethics above all

3. BACKGROUND TO THE TENDER

The FMM department within the AIDC is responsible for the effective and efficient facilities management and maintenance solutions of the existing strategic economic infrastructures on behalf of AIDC and its partners. The department ensures that operations improvement plans within all facilities are undertaken, as well as the preventative maintenance tasks, and also instil satisfaction to the Automotive Supplier Park (ASP)Tenants and AIDC's remotes sites programmes in terms of their infrastructure needs (Tenants satisfaction).

The AIDC's Facilities Maintenance storeroom management's role and obligation encompasses a range of processes required to ensure that maintenance team is assisted with the necessary spares, material, tools & equipment required for building infrastructure to perform as originally designed and constructed.

Therefore, access to immediate stock, tools and equipment's for Building Maintenance is of essence for maintenance team for their day-to-day maintenance works which gets to be carried out at the ASP or any other AIDC off-sites, Hence the need to appoint the service provider to assist the stores function with the required consumable, tools & equipment as part of long term consumable for just-in-time contract approach.

3.1. SCOPE OF WORK

The aim is to request an interested service provider to submit a complete bid for the just-in-time stores for Building Maintenance consumables, tools & equipment. Where

Ps = Points scored for price of tender under consideration

Pt = Price of tender under consideration

Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes

of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:

4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—

(a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or

(b) any other invitation for tender, that either the 80/20 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,

then the organ of state must indicate the points allocated for specific goals for both the 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

D2. GENERAL CONDITIONS OF CONTRACT (GCC,2010)

The purpose of this Section D2 is to:

(i) Draw special attention to certain general conditions applicable to government bids, contracts, and orders (see attached Annexure A).
(ii) The GCC will form part of all bid and contract documents.
(v) Special Condition of Contract pertaining to contracts of this nature will be negotiated with the successful bidder.

D3. SPECIAL CONDITIONS OF CONTRACT (SCC)

1. Definitions

The terms shall be interpreted as indicated in the General Condition of Contract (Annexure A)

2. Application

2.1 These SCC are applicable to all bids, contracts and orders including bids for functional and professional services, sales, hiring, letting and the granting or acquiring of rights, but excluding immovable property, unless otherwise indicated in the bidding documents.
2.2 Where applicable, SCC are also laid down to cover specific supplies, services or works.
2.3 Where such SCC conflict with general conditions, the special conditions shall apply.

3. Standards

3.1 The service rendered shall conform to the standards mentioned in the bidding documents and specifications.

4. Performance Security

4.1 Within thirty (30) days of receipt of the notification of contract award, the successful service provider shall furnish to the client the performance security of the amount specified in SCC

4.2 The proceeds of the performance security shall be payable to the client as compensation for any loss resulting from the service provider's failure to complete his obligations under the contract.

4.3 The performance security shall be denominated in the currency of the contract or in a freely convertible currency acceptable to the client and shall be in one of the following forms:

4.3.1 a bank guarantee or an irrevocable letter of credit issued by a reputable bank located in the client's country or abroad, acceptable to the client, in the form provided in the bidding documents or another form acceptable to the client; or

4.3.2 a cashier's or certified cheque

4.4 The performance security will be discharged by the client and returned to the service provider not later than thirty (30) days following the date of completion of the service provider's performance obligations under the contract, including any warranty obligations, unless otherwise specified in SCC.

5. Insurance

5.1 The service rendered under the contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in the SCC. The contractor will ensure that the insurance liability cover is adequate. Proof of insurance shall be submitted within 7 days of issue of letter of appointment.

6. Payment

6.1 The method and conditions of payment to be made to the service provider under this contract shall be specified in SCC.
6.2 Monthly payment for the goods and services as per tender scope.
6.3 Payment will be made in South African Rand unless otherwise stipulated in SCC.
6.4 It is the requirement of AIDC for the successful bidder to maintain a valid Tax Compliance status and a valid CSD Status (National Treasury CSD Number must be provided) for the duration of the project. Therefore, a new valid Tax Compliance must be provided upon expiry of the previous one. The Tax Status will continuously be checked on SARS on-line system during the duration of the contract.

7. Prices

7.1 Prices charged by the service provider for services performed under the contract shall not vary from the prices quoted by the service provider in his bid, except for any price adjustments authorized in SCC or in the client's request for bid validity extension.

8. Assignment

8.1 The service provider shall not assign, in whole or in part, its obligations to perform under the contract, except with AIDC's prior written consent.
8.2 AIDC on the other hand will in due course have the right to assign its contract with the service provider to another legal entity owned by the Gauteng Provincial Government. Due written notice will in such an instance be provided to the service provider.

9. Subcontracts

9.1 The Service Provider shall not subcontract work without the prior written consent of AIDC.

10 Early Termination

1.1. The AIDC can provide a 30-day notice period for earlier termination if the AIDC needs to participate in a transversal contract from Treasury, DED or GGDA on an earlier date than this contract's end date.

I, the service provider, has read the above PARTS E1, E2, E3 and "General Condition of Contract" (Annexure A) and confirm that I/we fully understand and comprehend its meanings intentions, provisions, stipulations, and conditions as related to this invitation to bid.
